

## Tartar Teen Talk

By Julia Takayama

The first few days of school proved very hectic for the Torrance High students. This year we're 1,920 strong and I'm sure every one of us felt bewildered as class schedules, procedures, and instructions were once again thrown at us.

Along with 512 freshmen, we Tartars welcomed a newcomer to the senior class. She is Ana Maria Bezerra, our foreign exchange student from Brazil. Ana is living with senior Valerie Gustavson and the A. J. Timms family.

**RIGHT NOW**, the Student Council is absorbed in homecoming preparations. Since there will not be too many activities until then, I'd like to take the next few weeks to acquaint you with some of our more active campus organizations.

The Girls' Athletic Association is under the supervision of sponsor, Miss Vivian See, and president, Cathy Yurkovich. This year the girls meet on Monday, Tuesday, and Thursday afternoons. The sports for this semester are tennis and volleyball. Thursday meetings will be dedicated to individual coaching in these sports.

The GAA held a very profitable car wash Saturday. The next activity is a Sky League volleyball playday to be held Oct. 26 at our school.

**THEY'RE** finally here. Tomorrow the juniors will receive their class rings. The design includes the school athletic slogan, "Victory Must Be Earned," and the school motto, "Let There Be Light."

The freshmen campaign assembly was held Tuesday. Tomorrow, they go to the polls to elect the officers who will lead them through their first semester in high school.

**SENIOR** pictures are now being taken, and will be taken throughout the month. Again the Unified Dues

## Tiny Tots Program To Begin

Registration for the Tiny Tots program will begin at the Redondo Beach Recreation and Parks Department in October.

Classes for 4-5 year olds were registered yesterday from 10-12 at Grant Community Hall, 2301 Grant Ave., Redondo Beach.

Another session will register for 4-5 year olds today from 10-12 at the Hideout Youth Canteen 222 N. Pacific Coast Hwy. These are two hour classes, one per week. At the Lincoln Community Recreation Building, Ernest at Vaile Ave., 3-4 year olds may register Thursday. These classes run for one hour only and there will be two sessions each Thursday, the first beginning at 10:00 a.m. and the second at 11:00 a.m.

This program is for Redondo Beach residents and a registration fee will be charged.

**ALL SESSIONS** will run for a schedule of ten weeks with Mrs. Mabel Crane as instructor. Classes begin Oct. 12, 13, and 14 respectively. The program will include group association and adjustment, an introduction to shape, color, size, some numbers and letters, animals and people. Simple crafts are made by the children and rhythm and music are also a vital part of the program.

For information phone Pat Dreizler, FR 9-1143, or the Recreation and Parks Department Office, 372-1171. All registration will be on a first come basis and a limit of 20 children will be enrolled in each class. All children will be enrolled in person.

## 18 Earn Diplomas in First Family Aide Training Class

Eighteen women have successfully completed training as family aides and are now available for part-time or temporary work through the California State Department of Employment. They are prepared to assist an aged or convalescent person in his own home and to help younger families in emergency situations.

The graduates, members of the first of several such classes planned for the area, were awarded diplomas last Wednesday, by Dr. Sidney Rooth, Gardena Hospital Administrator, who is a member of the Family Aide Advisory Committee.

Instruction in nutrition, first aid, psychology, and infant care was included in the training given by the Department of Employment in co-operation with the American Red Cross and the Los Angeles County Health Department.

Family aide service is not intended as a nursing service, but is designed to provide help for those who have family care during evening hours and weekends. In general, the aide will plan, shop for, prepare, and serve a meal; be in the house upon the patient's return from a hospital; keep the kitchen and other rooms neat and orderly; read to the patient, and in other ways provide companionship and assistance.

The services of a family aide may be secured by phoning the Department of Employment, 328-2611, and asking for the family aide desk.

## At El Camino

## Japanese Musician To Perform Friday

Japan's Kimio Eto master of the Koto, will present the second program of the El Camino College series "Concerts on the King's Highway" Friday evening at 8:30 in the Campus Theater.

Eto's instrument, the Koto, was introduced into Japan from China in the Eighth Century. Its tone is a cross between harpsichord and guitar.

Sound is produced on the Koto by plucking thirteen strings, which are stretched over the six-foot length of the instrument. Plectra are attached to the thumb, first

and second fingers of the right hand in order to work the strings.

Eto, blind since youth, has performed in Carnegie Hall and Lincoln Center, New York City. Music at those concerts and for the El Camino Concert will include compositions of both Eastern and Western influence and folk or classical temperament.

Tickets for the concert are now on sale at the student store of the Campus Center and will be sold at the box office on the night of the performance.
